#### Please note:

1. Applicants for entry to Years 2 to 6 should include copies of the two most recent school reports and a letter from parents/guardians outlining the reasons for the proposed change of school.
2. Please ensure that you update the school with any relevant information: change of address, entry into a feeder school etc. Newpark will contact parents in September to seek confirmation of interest in a place in the school for the following academic year.
3. Please inform the school immediately if your child has special educational needs which require application to the Department of Education and Science for resources.
4. This is the only form that needs to be used when submitting applications for pupils currently attending primary school.
