How should I revise?

2. Go back through the 'Lexique' summaries at the end of each chapter of Bonnes Nouvelles 1 and 2: these contain the essential vocab in each topic - **SEE LIST BELOW**
3. Learn the letter/postcard layout (place, date, opening and ending phrases)
4. Go back through the grammar at the back of your hardbacks and in the two textbooks. Learn the present tense endings for regular verbs, the irregular verbs être, avoir, aller, faire, as well as those in the list below. Also learn the mon/ma/mes, ton/ta/tes etc - the circles, and all the grammar in the list below.
5. Revise alphabet, numbers, dates, colours, directions and weather vocab for the listening.

Remember,

- Be aware of your own weak and strong points
