This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013 by the Department of Education and Science.

2 Board of Management Commitment

3 Definition

In accordance with the Anti-Bullying Procedures for Primary and Post-Primary Schools **bullying is defined as "unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time."**

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying;
- cyber-bullying
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Travelling Community and bullying of those with special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's Relationships and Behaviour policy.

The school reserves the right to apply its bullying policy in respect of bullying that occurs at a location, activity, function or program that is not school related if in the opinion of the principal and/or the Board of Management the alleged bullying has created a hostile environment at school for the victim, has infringed on the rights of the victim at the school and/or has materially or substantially disrupted the education process or the orderly operation of the school.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour, (see the I.T. Acceptable Use Policy).

Negative behaviour including harassment (see page 7) that does not meet this definition of bullying will be dealt with in accordance with the school's Relationships and Behaviour Policy.

Additional information on different types of bullying is set out in Section 2 of the Anti-Bullying Procedures for Primary and Post-Primary Schools. (See DES website)
