The best advice we can give you is to look at it this way, get one work experience in each of these categories:

- Something you think you really want to do
- Something totally different
- Something you might get a Summer job from

COMMUNITY ACTION

Students are free on a Tuesday afternoon to do this (finish at 1:10pm) BUT it does not have to be completed at this time.

HOWEVER IT MUST BE OUTSIDE OF REGULAR CLASS TIME.

Each student will make and keep a commitment to give community service to an individual or group each week OUTSIDE OF REGULAR CLASS TIME.

Commitment for the whole year, start date is September 13th 2022

Minimum time: 2 - 2.5 hours each week

OTHER POSSIBLE ACTIVITIES:

- RCSI Medical Programmes
- STEM (Science and Maths)
- Trinity Programmes (Physics, Medicine etc.)
- St Pats Drumcondra
- Foreign Language Exchanges

 (Anyone interested in a German exchange please contact Ms Dempsey ASAP at Margaret.Dempsey@newpark school.ie)

APPLICATION FOR TY LEAVE

All students are encouraged to do as much as is possible during their TY Programme.

They must apply for leave from TY Coordinator / Year Head if they wish to do something outside of the 'normal' times during the year.

All forms are on the school website (newparkschool.ie) under student – transition year section.

Leave will only be granted for educational experiences.

GARDA VETTING

- New legislation put in place from May 2016.
- This, no question, has made things more tricky for Work Experience and Community Action.
- <u>http://www.newparkschool.ie/wp-</u> <u>content/uploads/2016/09/eVetting-</u> <u>for-TY-Students-September-2016.pdf</u>

- Current Procedure:
- Receive a vetting form from the organisation you are applying to (most likely digitally)
- Fill in form and return to the organisation, this authorises the vetting to take place.

Then sent to Vetting Bureau then returned to management body and then to school

The procedure appears to be taking between 10-14 days currently.

ATTENDANCE AND PUNCTUALITY

All students are expected in school every day barring illness or exceptional circumstances.

There are credits awarded (and lost) for attendance and punctuality – students are expected to be present

The most important aspect of this is the timetable, there is something unique to TY on every day so if you miss one day you miss a whole weeks work.
