To Parents /Guardians

From time to time it may be necessary to contact you and/or your child about cancellations or fixtures. It is up to you to decide if you want the coach to contact you, in which case it will be very important that you forward the message to your child, or whether you prefer us to contact your child directly. Details about fixtures and or cancellations will also be posted on the school app. Please ensure you have the app downloaded and the correct ECA activities selected to receive notifications. It may not be possible to upload app notifications at very late notice or at the weekends.
