

Confirmation of Protestant Denomination form

In the event of oversubscription, Newpark Comprehensive School categorises applications made on behalf of applicant students. One such category is children of a Protestant denomination, as outlined in the school's Admission Policy, Appendix 1.

Applicant students of a Protestant denomination are children who are confirmed as such to the school by providing the school with either, a) a Certificate of Protestant Baptism or, b) this *Confirmation of Protestant Denomination* form.

This *Confirmation of Protestant Denomination* form must be completed and certified by a relevant Rector/Priest/Pastor to secure priority consideration as outlined in the school's Admission Policy, Section 6.
